## **About Mundus Capital Invest AG:**

MUNDUS CAPITAL INVEST AG ("MCI") is a Swiss holding company that entirely owns M24 Group, the media division of MCI Group, which has been in Business since January 2013.

M24 Group has launched its TV Channel, M24 TV, which is devoted to Music and Entertainment, and is broadcasting on Nilesat (10727/H/ 27500).

MCI is keen on further expanding its business activities planning to invest and form new companies in the fields of Aviation, Automobile, Tourism & Travel, Real Estate, Renewable energy and Agriculture.

The holding company is considering certain strategic acquisitions and / or the forming of new Joint Venture companies with well-identified local partners on the emerging markets.

One of MCI's divisions, EVADA Aircraft Corp has succeeded to reverse merge with PM&E Inc. (OTCMKTS: PME) and it is in process of completing the restructuring.

## **Forward Looking Statements**

*This press release contains statements, which may constitute "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act. The Private Securities Litigation Reform Act of 1995 (PSLRA) implemented several significant substantive changes affecting certain cases brought under the federal securities laws, including changes related to pleading, discovery, liability, class representation and awards fees as of 1995. Those statements include statements regarding the intent, belief or current expectations of Seilon Inc, and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements. The Company undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results.*
